

Waking Unto Christ

1)

Waking unto Christ
She felt
God's love
Touch her
She promised
No more dating
Men with wives
Sedating
The pain she felt
While working
Walmart's toy department

Attention
Shoppers
Dirt Cheap
Whoppers

Priced right
Can't lose
Buy more
Work shoes

Muzak
Draining

Maintaining

Jesus
Please Pickup
I'm calling

Hold us
In your arms
Please give us back
Our lost farms

2)

Last year she dated Craig
He had
A cool car
His mom worked
At Chubby's Bar
And Grill near I-84
The late shift
So they could get high
Watching cable all night
Humping

Grey skies
Fast food
Cell phones
Laughs rude

Preggers
Poppers
Slick Clock
Watchers

Sleep late
Spring break
Beer numbed
Heartache

Dad died
At 50
Why can't you

Hold us
In your arms
Please give us back
Our lost farms

3)

Now she goes to Church
Sings songs
Wears skirts
Says prayers
When it hurts
No fast food
Or dumb desserts
She getting
Her GED and then
It's off to junior college

Good bye
Bad boys
Good bye
Grunge noise

Good bye

Hello
Jesus
He'll never
Leave us

No one
Knows me
I'm just
One girl
Who works toys
At Walmart
Thru the night
